Thank you for your interest in MotoAmerica 2022 season and the Super Hooligan series. Please see the steps below needed to start your registration.

What each Rider should do:

1. Complete the Application for the AMA/FIMNA Road Racing License and Number Assignment for each rider. (This requires a current AMA membership). Please complete application and select the Hooligans class)
2. Complete the MotoAmerica Pre-Registration Form – this form lets me know that you are applying for your license so I can watch for your license to be issued and contact you). This online form is available here: <http://www.motoamericaregistration.com/entrant-information-form/>
3. After steps 1 & 2 are complete and your license has been issued, you will be guided through the remaining steps, including the MotoAmerica Rider Application. Please allow at least 48 hours to complete step 3 prior to an event entry deadline.
