

Meeting Agenda

Flat Track Commission

2023 Discussion Spring Meeting

Tuesday May 2, 2023

MS Teams Call

Meeting Agenda

1. Opening of Meeting

- a. Comments by the AMA Representative
- b. Comments by the Commission Chair
- c. Attendance

NAME	Present	Absent With Notice	Absent without Notice
Michael Bender			
Steve Bromley			
Kevin Clark			
Chris DaRonco			
Kelly Inman			
Dan Knecht			
Kevin Lambert			
Ralph Lee			
Timothy McAdams			
Bill Milburn			
Megan O'Connell			
Adam Schmidt			
Wayne Sody			
Bert Sumner			
Dan Vrana			
Craig Wise			
Ken Saillant			
Mike Burkeen

Editor’s Note: Several proposals herein are linked under a common prefix (e.g. 202305-02a, 202305-02b, 202305-02c, and 202305-02d). Past history has shown that one huge proposal will lead to paralysis by over-analysis, so I have decided to break the larger ones down into smaller bits, each one changing one sentence at a time, in the hopes that the Commission and the Board can digest, debate, and decide on them all in a more efficient manner. When the time comes to edit the 2024 AMA rulebook, I will work with Allie to ensure that the accepted proposals are edited properly, and the rejected proposals are omitted properly.

**American Motorcyclist Association
 Proposal for Rulebook Revision
 Flat Track Commission Proposal Item**

FT-202305-01a: Section 3.2.D.5 Page 156: Chest & Back Protection (Leathers)

Current:

It is highly recommended that chest and back protection be worn by all competitors. It is required for all competitors in Youth Classes to wear chest and back protection. The protector may be worn under or over the jersey, and it should cover the sternum anterior ribs, posterior ribs, and spine from T1 to T 12. **For road racing** a back protector must be worn under their leathers unless integrated into the design of the leathers.

Proposed: (Proposed changes in **bold**)

It is highly recommended that chest and back protection be worn by all competitors. It is required for all competitors in Youth Classes to wear chest and back protection. The protector may be worn under or over the jersey, and it should cover the sternum anterior ribs, posterior ribs, and spine from T1 to T 12. **When padded leathers are worn**, a back protector must be worn under their leathers unless integrated into the design of the leathers. **Inflatable vests are acceptable.**

Reason

To clarify that, per AMA Racing, on Feb 14, 2023, padded leathers and inflatable vests satisfy this requirement.

Also to allow any discipline where leathers are worn (Flat Track, Speedway, Supermoto, Land Speed Racing, Drag Racing, etc.) to benefit from the leathers exemption currently only afforded to road Racing.

Submission

Bert Sumner. This proposal is connected to 202305-01b.

**American Motorcyclist Association
 Proposal for Rulebook Revision
 Flat Track Commission Proposal Item**

FT-202305-01b: Section 3.2.D.5 Page 156: Chest & Back Protection (Minors)

Current:

It is highly recommended that chest and back protection be worn by all competitors. It is required for all competitors **in Youth Classes** to wear chest and back protection. The protector may be worn under or over the jersey, and it should cover the sternum anterior ribs, posterior ribs, and spine from T1 to T 12. For road racing a back protector must be worn under their leathers unless integrated into the design of the leathers.

Proposed: (Proposed changes in **bold**)

It is highly recommended that chest and back protection be worn by all competitors. It is required for all **minor competitors to wear** chest and back protection. The protector may be worn under or over the jersey, and it should cover the sternum anterior ribs, posterior ribs, and spine from T1 to T 12. For road racing a back protector must be worn under their leathers unless integrated into the design of the leathers.

Reason

To propose that the rule be applied to all MINOR participants, not only YOUTH participants. The way the current rule is written, a 12-year-old riding a 250cc machine is exempt from the requirement, but a 15-year-old riding an 85cc is not, even though a 250cc is a faster and heavier machine, and as such presents a higher safety risk.

Submission

Bert Sumner This proposal is connected to 202305-01a.

Discussion

**MOTIONS
 VOTE
 DECISION**

 For: _____ Against: _____ Abstain: _____
 Yes: _____ No: _____ Amended: _____ Tabled: _____

**American Motorcyclist Association
 Proposal for Rulebook Revision
 Flat Track Commission Proposal Item**

FT-202305-02a: Section 3.3.G.1. Page 161: Claiming (Price % of MSRP)

Current:

For all other track racing **principles**, the claiming price shall be **30** percent over manufacturer suggested retail price using the Black Book AMA Official Motorcycle Value Guide, Kelly Blue Book or NADA appraisal guide and include the complete motorcycle or minicycle.

Proposed: (Proposed changes in **bold**)

For all other racing **disciplines**, the claiming price shall be **50** percent over manufacturer suggested retail price using the Black Book AMA Official Motorcycle Value Guide, Kelley Blue Book or NADA appraisal guide and include the complete motorcycle or minicycle.

Reason

To replace the word "principles" with "disciplines".

To harmonize with the 2023 changes to the MX claiming rule, which raised the claiming price from 30% to 50% over MSRP.

Submission

Bill Milburn. This proposal is connected to 202305-02b, 202305-02c, and 202305-02d.

American Motorcyclist Association
Proposal for Rulebook Revision
Flat Track Commission Proposal Item

FT-202305-02b: Section 3.3.G.1. Page 161: Claiming (Price Source)

Current:

For all other track racing principles, the claiming price shall be 30 percent over manufacturer suggested retail price using the **Black Book AMA Official Motorcycle Value Guide, Kelly Blue Book or NADA appraisal guide** and include the complete motorcycle or minicycle.

Proposed: (Proposed changes in **bold**)

For all other racing principles, the claiming price shall be 30 percent over **suggested list price** using the **JD Power website** and include the complete motorcycle or minicycle.

Reason

To simplify how the claiming cost is determined. By allowing multiple sources to determine the price, the claimant will surely demand the lowest price they can find, while the owner will demand the highest price they can find, from among the various sources. By citing a single source, there can be no argument about which price is to be used.

Also, the JD Power web site (www.jdpower.com/motorcycles/motorcycles) is significantly easier to use (particularly with a cell phone at a race track) to obtain a price than any of the others.

Submission

Bill Milburn. This proposal is connected to 202305-02a, 202305-02c, and 202305-02d.

Flat Track Commission Proposal Item**

FT-202305-02c: Section 3.3.G.1. Page 161: Claiming (Price Schedule)

Current:

Claiming prices for Flat Track, Short Track, and TT are established in the following schedule:

Engine Size	Price
0-250cc	\$6,000.00
251-504cc	\$12,000.00
505cc-up (single)	\$12,000.00
750cc Multi-Cylinder	\$25,000.00

Proposed: (Proposed changes in **bold**)

Claiming prices for Flat Track, Short Track, and TT are established in the following schedule:

Engine Size	Price
0-250cc	\$6,000.00
251-504cc	\$12,000.00
505cc-up (single)	\$12,000.00
505cc-up (multi)	\$25,000.00

Reason

To address the 505cc-749cc multi-cylinder gap in the current schedule.

Submission

Bill Milburn. This proposal is connected to 202305-02a, 202305-02b, and 202305-02d.

**American Motorcyclist Association
Proposal for Rulebook Revision
Flat Track Commission Proposal Item**

FT-202305-02d: Section 3.3.G.1. Page 161: Claiming (Organization)

Current:

1.All sanctioned Flat Track, Short Track, TT, Hillclimb, Road Race, and youth meets are claiming meets. In Flat Track, Short Track, and TT claims will be for the engine, including electronics, carburetion, and exhaust only. Vintage and ATV class equipment will be excluded from the claiming rule. For all other track racing principles, the claiming price shall be 30 percent over manufacturer suggested retail price using the Black Book AMA Official Motorcycle Value Guide, Kelly Blue Book or NADA appraisal guide and include the complete motorcycle or minicycle. Claiming prices for Flat Track, Short Track, and TT are established in the following schedule:

Engine size	Price
0-250cc	\$6,000.00
251-504cc	\$12,000.00
505-Up (single)	\$12,000.00
750cc Multi-cylinder	\$25,000.00

Proposed: (Proposed changes in **bold**)

1.All sanctioned Flat Track, Short Track, TT, Hillclimb, Road Race, and youth meets are claiming meets. Vintage and ATV class equipment will be excluded from the claiming rule.

A. In Hillclimb, Road Race, and youth meets, the claiming price shall be 30 percent over manufacturer suggested retail price using the Black Book AMA Official Motorcycle Value Guide, Kelly Blue Book or NADA appraisal guide and include the complete motorcycle or minicycle.

B. In Flat Track, Short Track, and TT meets, claims will be for the engine, including electronics, carburetion, and exhaust only. Claiming prices for Flat Track, Short Track, and TT are established in the following schedule:

Engine size	Price
0-250cc	\$6,000.00
251-504cc	\$12,000.00
505-Up (single)	\$12,000.00
750cc Multi-cylinder	\$25,000.00

Reason

Editorial change: To clarify how the Hillclimb, Road Race, and youth claiming differs from Flat Track, Short Track, and TT claiming.

Submission

Bill Milburn. This proposal is connected to 202305-02a, 202305-02b, and 202305-02c.

**American Motorcyclist Association
 Proposal for Rulebook Revision
 Flat Track Commission Proposal Item**

FT-202305-03a: Section 3.3.G.2. Page 161: Claiming (Minor claims)

Current:

Any rider (claimant) may enter a claim for a motorcycle (or minicycle) ridden in an event in which the claimant has competed. A claim must be entered with the referee after the meet has been completed, but no later than 30 minutes afterward. The referee then notifies the owner of the claimed motorcycle and may take possession of it.

Proposed: (Proposed changes in **bold**)

Any rider (claimant) **over the age of 18 or represented by a parent or legal guardian** may enter a claim for a motorcycle (or minicycle) ridden in an event in which the claimant has competed. A claim must be entered with the referee after the meet has been completed, but no later than 30 minutes afterward. The referee then notifies the owner of the claimed motorcycle and may take possession of it.

Reason

To harmonize with the 2023 changes to the MX claiming rule.

Submission

Bill Milburn. This proposal is connected to 202305-03b, 20230503c, and 202305-03d.

FT-202305-04a: Section 3.3.G.3 Page 162: Claiming (Payment Methods)

Current:

A claim must be accompanied by cash, **certified check or bank draft**. The owner of the claimed machine must immediately deliver it intact, along with a clear title or bill of sale.

Proposed: (Proposed changes in **bold**)

A claim must be accompanied **by cash or cashier's check**. The owner of the claimed machine must immediately deliver it intact, along with a clear title.

Reason

Eliminate certified check from acceptable payment. Certified Checks do not guarantee that the funds will be available when the check is cashed; only when the check is created. Cashier's checks are guaranteed by a financial institution; certified checks are not.

Eliminate bank drafts as acceptable payment. www.secureplatformfunding.com reports that 95% of all bank drafts are fraudulent.

Submission

Bill Milburn. . This proposal is connected to 202305-04b and 202305-04c.

FT-202305-06a: Section 3.5.A.4.c. Page 177: AMA Nationals (One Year Ban)

Current

3.5.A.4.c. Any racer holding an American Flat Track professional racing license must wait one full year after their professional license expires to be eligible for Amateur National competition, **district points, or year-end district awards.**

Proposed (Proposed changes in **bold**)

3.5.A.4.c. Any racer holding an American Flat Track professional racing license must wait one full year after their professional license expires to be eligible for Amateur National competition. ~~district points, or year-end district awards.~~

Reason

I believe that districts should decide whether to award district points or year-end awards to pro license holders, or to make them wait one full year. I don't believe that it makes sense to ban riders from district awards for two full seasons just for attempting to race a few AFT events.

I agree with retaining the one-year ban from Amateur Nationals competition.

FT-202305-06c: Section 3.5.A.4.c. Page 177: AMA Nationals (AMA Pro Racers)

Current

3.5.A.4.c. Any racer holding an **American Flat Track professional racing license** must wait one full year after **their professional license expires** to be eligible for Amateur National competition, district points, or year-end district awards.

Proposed (Proposed changes in **bold**)

3.5.A.6. Any racer holding **a professional racing license from any AMA Pro Racing entity** must wait one full year after **the expiration of all professional licenses** to be eligible for Amateur National competition, district points, or year-end district awards.

Reason

To clarify the unwritten rule that all professional racers – not just American Flat Track racers – are subject to these restrictions.

Since this rule applies to all pro licensed riders, it does not belong under 3.5.A.4 (“American Flat Track Racers”), but rather should be under located under 3.5.A. (General).

Submission

Bert Sumner. This proposal was originally submitted to the Board by the Flat Track Commission as FT-0822-02. This proposal is connected to 202305-06a and 202305-06b.

American Motorcyclist Association Proposal for Rulebook Revision

Flat Track Commission Proposal Item

FT-202305-09: Section 3.10. Page 247-260: Vintage Components

Current

Page 246: 1940s Vintage 750cc:

Engine, cases: OEM*, 1933-1951 era, same make and model as original.

Engine, cylinder: OEM* bore as approved for AMA Professional Class C competition. Overbore of 0.080" is allowed. Must be 1933-1951 era, same make and model as original.

Engine, head: OEM*, 1933-1951 era, same make and model as original.

Engine, transmission: OEM*, four speed maximum. Hand-shift to foot-shift conversions, military or otherwise, are not permitted. If original model was hand-shift/foot-clutch, bike must be configured the same.

Frame: OEM*, 1933-1951 era, same make and model as original. No alterations are permitted. 1951 Matchless/AJS may use the 1951 Matchless/AJS swing-arm frame.

Page 247-248: 1960s Vintage 250cc:

Engine, cases: OEM*.

Engine, cylinder: OEM* bore as approved for AMA Professional Class C competition. Overbore of 0.080" is allowed.

Engine, head: OEM*.

Engine, transmission: OEM*, five speed maximum.

Frame: OEM* twin shock or rigid frame, the same make and model as the engine. Aftermarket rigid frames are allowed. Adjustable rake steering head or adjustable swing arm pivot are not permitted.

Page 249: 1960s Vintage 750cc:

Engine, cases: OEM*.

Engine, cases: OEM* **same make and model as original.**

Engine, cylinder: OEM* **same make and model as original. Bore as approved for AMA Professional Class C competition.** Overbore of 0.080" is allowed.

Engine, head: OEM* **same make and model as original.**

Engine, transmission: OEM* **same make and model as original engine.** Six speed maximum.

Frame: **2006 or earlier frame.** OEM* **frame the same make and model as the engine.** Aftermarket frame twin shock, single shock, or linkage are allowed.

Page 260: 1990s Vintage 1000cc:

Engine, cases: OEM* **same make and model as original.**

Engine, cylinder: OEM* **same make and model as original. Bore as approved for AMA Professional Class C competition.** Overbore of 0.080" is allowed.

Engine, head: OEM* **same make and model as original.**

Engine, transmission: OEM* **same make and model as original engine.**

Frame: **2006 or earlier frame.** OEM* **frame the same make and model as the engine.** Aftermarket frame twin shock, single shock, or linkage are allowed.

Reason

The current wording implies that the cases, cylinder, head, and transmissions on the engines do not need to be original, which is not the true intention.

Submission

Bill Milburn. These proposals were approved by the Flat Track Commission on February 24, 2021.
